F. Upon the return of this Information Sheet, completely filled out and signed by the property owner, the District will notify you of the charges and on any special conditions for water service on the Application Sheet.**GENERAL CONDITIONS**

The property owner hereby applies for water service as stated and hereby agrees to accept and pay for said service at the rates and the conditions of the Rules and Regulations of the Los Angeles County Waterworks Districts. The property owner remains, at all times, responsible for the water bill regardless of the owner designating that the water bills are to be addressed to a tenant or some other person.

The property owner agrees to limit his development and use of water to only that portion for which Capital Improvement and Local System Improvement Charges have been paid; and he further agrees to pay the applicable charges at such time as he extends his water use area.

All meters, pipes, valves, fittings and other facilities, installed pursuant to this application, shall be and remain the property of the Waterworks District.

Service may be discontinued without notice to a property which is delinquent in payment of water bill and meter service will not be maintained or resumed until the full amount of all then due charges has been paid.

This application is for temporary service and the period of use can not exceed six months. Permanent service can only be obtained upon satisfaction of all requirements of District.
